Dear Prayer Warriors,

Thank you for keeping us in your prayers! Our past eight weeks in Nindewari village were intense, but because you were praying, God helped us to accomplish much.

Shortly after arriving in the village we discovered that our external monitor would not work. This meant that four people had to share one laptop computer whenever we worked at the translation desk. Despite this inconvenience, our Binandere co-translators rose to the occasion and together we were able to translate another 261 verses of Scripture.

Some more reasons to praise the Lord:

1) Our team was able to finish translating 1 Corinthians chaps 6-10 and Hebrews.
2) Now 81% of the Binandere New Testament (NT) has been translated!
3) Kathy’s teen girls’ Bible study met five times and averaged 23 girls each Tuesday night.
5) Kathy held a five week Binandere memory verse contest and 20 young women participated.
6) The 1st, 2nd and 3rd place winners memorized 104, 77 and 60 verses respectively during the contest!
7) Our Binandere co-translators helped us village check Colossians and 2 Timothy.
8) Kathy’s adult ladies’ literacy class met five times and averaged 14 to 15 ladies each Friday morning.
9) Our two Binandere back translators helped us translate (Binandere to English) Colossians and 2 Timothy.
10) The Lord protected us from catching malaria during our village stay.
11) God provided three men who helped us do some village house repairs in February.
12) Three other Binandere men have agreed to help us do consultant checking July 20 - August 7.
13) Korry Reuben has agreed to help us consultant check 22 chapters of the Binandere NT July-August.

Please pray that the Lord would:

1) Help us prepare for our next Binandere Scripture book publication. (We hope to print a book containing: Matthew, John, Galatians, Ephesians, 1 Timothy, Philemon, 1 Peter, and 1, 2 and 3 John in Spring 2021.)
2) Continue to protect our Binandere team and their families from serious illness and harm.
3) Help us as we fine-tune Galatians chaps 3-6, Ephesians, 1 Timothy, Philemon and 1 Peter and work with Translation Consultant Korry Reuben to prepare for the scheduled consultant check July-August.
4) Guide us as we consider how to best conduct this checking session. Due to the Corona Virus pandemic, precautionary measures could make it difficult for us to receive permission to meet as a group at our Ukarumpa Translation Center to conduct this consultant check.

Thank you for your faithful prayers and gifts on behalf of our Wycliffe ministry to the Binandere people. God will not forget how hard you have worked for Him and how you have shown your love to Him and continue to do so by caring for His people (Hebrews 6:10).

Yours in Christ,

Jonathan & Kathy Wilson

Anyone for a fresh fried sago grub hot off the grill? These critters are considered a delicacy in this part of the world. Yum!!
